Reasons for Allowance

1. The following is an Examiner's Statement of Reasons for Allowance:

Claims 10-17 are allowable over the prior art of record.

The examiner has found that the prior art of record does not teach or suggest or render obvious an access control unit that allocates an access request to either one of a first access not passing through the second information processing apparatus to the first storing unit and a second access passing through the second information processing apparatus to the first storing unit, according to power mode of the second information processing apparatus, as set forth in the specification and recited in the independent claims.

2. To clarify the record, the term "**computer readable storage medium**" has been interpreted in view of current case laws to cover only "**non-transitory**" computer readable storage mediums.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "*Comments on Statement of Reasons for Allowance*"
